

ABSINTHE

«Messieurs Dames. C'est l'Heure Verte»

Enjoy the moment of inspiration and relaxation, with the natural elixir from the Val-de-Travers, our absinthe from the home of the green fairy.

Our absinthes are based on ancestral recipes and are 100% handmade.

ENERGETIC

«LIBERTINE»

54% Vol.
Philippe Martin

Nose

Fresh, spicy. Powerful yet mellow aroma.

Palate

Intensive notes of wormwood, tangy but not bitter. Mild and smooth with a harmonious base note. Grande wormwood, dominant and slightly numbing on the tongue.

Comment

Traditional absinthe with a predominant flavour of wormwood and anise. Fresh and spicy at the same time.

A true "La Bleue" for connoisseurs with excellent taste.

INSPIRING

«SERAFINE»

53% Vol.
Réne Jeanjaquet

Nose

Strong lemon balm note. Sweet and yet powerful. Fresh aroma.

Palate

Initial sweetness, followed by a pleasantly bitter note. Dry and long-lasting finish. Wormwood and anise both unfolding their flavours. Slightly numbing on the tongue and the palate.

Comment

Pleasantly smooth note with a strong finish. Contains more of everything and is still smooth and mild. Without the typical, powerful herbal flavour. A classic „La Bleue“ made to an old recipe.

SEDUCTIVE

«APHRODITE»

55% Vol.
Philippe Martin

Nose

Fresh, spicy. Sweet and powerful. Rich palette of flavours.

Palate

Initial sweetness. Pleasantly smooth, with a fresh and spicy base note. Interesting, lasting composition of flavours. Subtle flavours of wormwood and anise.

Comment

Thanks to additional aphroditical herbs Aphrodite is a particularly refreshing luxury absinthe with wonderfully rich flavours. A very exciting distillate, blending tradition with modernity.

CONTENTFUL

«JANIS»

65% Vol.
Françoise Bovet

Nose

Varied herbal notes with ostensible vermouth. Fresh aroma.

Palate

Strong taste yet pleasantly balanced with strong notes of vermouth and lasting bitterness. Strikingly smooth despite the high alcohol content.

In short

With its pleasant bitterness, just as in the days of the Belle Epoque, this absinthe can be drunk with sugar according to an age-old ritual, which contributes to the charm and popularity of this mythical drink.

POWERFUL

«SADE»

68% Vol.
Réne Jeanjaquet

Nose

Prominent notes of lemon balm. Fresh and spicy. With varied flavours, yet still balanced.

Palate

Initial sweetness, followed by a warm and strong bitterness. Rich, full bodied and well-rounded. Very complex and yet not heavy. Long finish with slight of bitterness.

In short

Strong flavours and complex aromas are typical for this Sade.

A harmonious and powerful absinthe. A true "Verte" made from twelve different herbs.

ORIGINALLY

«BOHEME»

66% Vol.
Philippe Martin

Nose

Minty-fresh, yet bitter. Harmoniously strong.

Palate

Initially pleasantly sweet, smooth and mellow. This is followed by a long-lasting finish with strong vermouth.

In short

Absinthe as it was before prohibition: a strong green colour, strong and bitter vermouth taste, bold and extremely substantial. Gives you a taste of Swiss tradition.

HONORABLE

«LA REINE»

72% Vol.
Philippe Martin

Nose

Powerful, with a clean taste and distinct herbal aroma. Well-balanced.

Palate

Smooth and full-bodied. Elegant and rounded. Sweet and spicy at the same time.

In short

Wonderful composition of perfectly balanced herbs. Subtle taste of alcohol due to the high plant and herb content. Well-rounded flavour, elegant, refined, well-structured.

Our absintnes are based on ancestral recipes and are 100% handmade! Manufactured in the famous Val-de-Travers, the birthplace of absinthe.

Your partner for original, handcrafted Swiss absinthe products from the Val-de-Travers. Preserving the authenticity and originality of Swiss absinthe is something very close to our hearts. This is why our products are made entirely by small-scale producers using natural ingredients, sustainable processes and artisan skills.

Our producers have been distilling absinthe as long as they can remember, always according to the old family traditions and the recipes of the Belle Epoque.
